Hi Annie and Silvina,

Attached is my redline strikeout of the PP. Thank you so much for all of your hard work on this. It must be nice to see the light at the end of the tunnel.

Just a couple of general comments

E said that river bank is two words in the FS so I searched and replaced.

Let me know if you have any questions. Most of my comments are editorial redline/strikeouts and self-explanatory (and yes, some are in the first 32 pages. Sorry!)

Thanks, Sheila

Here is the draft of the Proposed Plan for team review and the draft table for the Evaluation of Remedial Alternatives section (streamlined FS Table 4.3-1). The first 32 pages have mostly been finalized (just a couple of things left to confirm), so we are mainly looking for comments/edits to the second half of the document.

Please send your comments/edits by COB Tuesday, May 31.

Thanks,

Annie

Subject: Draft Portland Harbor Proposed Plan

Here is the current draft of the Proposed Plan and a streamlined version of FS Table 4.3-1 that we plan to use for the PP.

- The first 32 pages of the PP have been extensively reviewed. Silvina and I will work with Kristine and Elizabeth to do the final review/editing of those pages tomorrow.
- The rest of the document (Summary of Remedial Alternatives, Evaluation of Alternatives, Preferred Alternative, Rationale for Preferred Alternative) has been updated based on Sections 3 and 4 of the FS, but it is still draft. The draft attached is not ready for full review, but is just to show you where the draft is headed. We will send a more final draft for the full team review on Thursday this week.

Please let me know if you have any questions.

Thanks,

Annie
